

## Alfred Fremont Waitt, III

September 6, 1962 - February 17, 2025

We'd like to take a moment to remember the life of an extraordinary man, Alfred (Al) Fremont Waitt III, who was born on September 6, 1962, and left us on February 17, 2025. Although this brings us sorrow, it also brings us the opportunity to reflect on the countless memories and the love that Al brought into our lives and everyone who's lives he's touched.

Al was not just a name; he was a beacon of kindness, adventure, and laughter. He had an infectious spirit that lit up a room, a kind heart that welcomed everyone, and a sense of humor that could turn any gathering into a joyous occasion. Whether it was sharing stories, cracking jokes, or simply being present, he had a remarkable way of making everyone feel special.

As a father, Al was simply the best. There will never be words to describe the person he was and the love and gratitude each of us have for him. He is survived by his sons, AJ Waitt and his girlfriend Kerri Beckwith, Spencer Waitt and his girlfriend Miranda Dandurand, Zac Rogers and his girlfriend Becky Naidoo and their beautiful children, Faith and Renee. Al took great pride in his role as a father, always cheering on his sons, sharing wisdom, and ensuring they knew they could rely on him for anything-be it a good laugh or a shoulder to cry on. He taught them the value of hard work, resilience, and above all, how to appreciate the adventurous moments life offers.

To his loving spouse Chrissy Keirse, and her daughters Tatum, Savannah - and her husband Ryan and their beloved children Grahm and Edie -and Felicia. We know Al brought warmth and joy into each of your lives. He embraced you all with open arms, creating a blended family rich with love and laughter. The memories you created together will forever be cherished and will hold a special place in our hearts.

Al's loving siblings and families; Monty and his wife Gail, and their children, William and his wife Karen along with their son, and to his sister Rose and her husband Bruce. He was a devoted brother and cared deeply about all of his family.

Al was predeceased by his parents; Al Waitt Jr., and Rosemary Waitt, sister Joanne Castricone, and step son Benjamin Rogers.

More than just family, Al was a friend to many. He had a way of forming connections that ran deep; his loyalty and support were unwavering. He was there for all of us during our best times and our worst, providing encouragement and strength.

Today, as we celebrate Al's life, let us remember the laughter he brought, the love he shared, and the memories he created with all of us. He was a hard-working man who showed us that life is not just about going through the motions, but about sharing experiences, making memories, and being present for one another.

Al will be deeply missed, but his spirit lives on in each of us. He taught us how to embrace life with joy, to support one another, and to find laughter in every situation. Let us carry his legacy forward by honoring his kindness, his

adventurous spirit, and his unwavering love.

As we say our goodbyes, let's carry Al in our hearts, cherish the moments we shared, and honor him by living our lives to the fullest, just as he did.

A celebration of life will be held in New Hampshire, which will be determined at a later date - All family and friends are welcomed.

*This doesn't seem real , Al was such a great friend. We always had lots of fun when Al was around, and he was always so caring and kind. I used to look forward to seeing no bones Jones riding beside Al every year. Al, the good ones always go so young things are just not going to be the same without you. Rest in peace, my friend sending prayers and hugs to your family. 💔*
