“ I miss my mother dearly and her funny laugh, she was my confidant and best friend. I am so grateful to have been there every step of the way in the journey you were dealt with. I thank God that I was able to care for you as you cared for me. Even though my beautiful mother is gone she left me behind her knowledge, strength, courage & love. She gave me the greatest tools in life to be a good mother, good friend & partner. She was such a great grandmother and she will truly be missed. Kora & I love you mom, may your rest in peace.

*Love your daughter,
Kathy A. Garcia*
