“ My sweet nephew. I will love you till my last breath. I will miss your corny sense of humor. I will miss how you know about so many actors and movies they played in. I can't even remember what I had for lunch. I will miss how you always loved to look good in name brand clothes and shoes. I will miss your love for Hip Hop and Rap music. I will miss your smile when you talk about your babies Ethan and Elizabeth. I will miss your "Made you look" jokes or calling me Sir (LOL). I can go on and on with so many different things that I will miss. But most of all I will miss YOU!!!! Rest In Peace nephew. We will see you again someday. Love Aunt Dawn.

This breaks my heart. I was there when Tony took his first breath. It feels like yesterday. I know I haven't been in touch and wasn't always there but Tony has always had a special spot in my heart. I am his godmother. Tony you fought a long battle. I pray that you are at peace.
Love,
Aunt Sue

A very good friend, family and employee when I needed help with my business. He will definitely be missed. Cherishing the moments we shared, the talks, laughter and him working out wanting to arm wrestle. Rest in peace my friend and brother.
