

Arthur Feagin Crofton

November 5, 1951 - September 25, 2024

Arthur Crofton was the most kind, compassionate and giving man. He was a radio broadcaster in Jacksonville for over 40 years and touched the lives of millions of people. He was a devout Episcopalian who cared deeply about giving back to his community.

He is survived by his loving wife of 30 years, Laurie Crofton, his 3 children Teresa Vandre, (partner Christian De Stefanis), Craig Crofton (wife Sofia) and Lindsay Diaz (husband Rico), and his 5 grandchildren, Victoria Strausbaugh (husband Parker), Jasmine Diaz, Cedric Diaz, Cori Diaz and Mila Crofton. Arthur had a great love of animals and is also survived by his dog Fiona and cats Bit, Evie, Fluffy, and Lucky. He will remain in all our hearts forever.

The family has requested that in lieu of flowers, remembrances be made in the form of contributions to Grace Episcopal Church.

“ I worked with Arthur in radio at WAIV and WEJZ as Jim Forrest. We shared an office together and shared a lot of memories together. He drove an MG... A typical English thing to have. A funny guy who was a graduate of the University of Alabama (listening to his British voice imitating an Alabama accent - one of my favorites). I pray you were ready to meet God, my friend...
