

Augusto Padilla

January 23, 1937 - August 24, 2024

It is with great sadness that we announce the passing of our hero and beloved husband, father, grandfather, Augusto Padilla, born on January 23, 1937 and departed with the lord on August 24, 2024. He was an active member of Primera Iglesia Bautista Hispana. No one can ever deny that Augusto Padilla was the most humble, loving and respectful man. His pure and unconditional love for his wife Elena and family was reflected in GOD and a father who truly embodied what it meant to care for others and be there when it really mattered. Family, friends, grandchildren and his children all looked up to him while he lifted the world's weight off their shoulders. Nobody was there more than him if anybody had a problem or something they were struggling with. He was never there to judge anybody. His family was the only thing he loved more than baseball, horses and boxing. His passion was reading the newspaper and crossword puzzles. He also had a very soft spot for blueberry pie. Oftentimes, even more than himself, he never put anything above family. Nobody can and will ever fill his shoes, but we know he will always be with us, watching over us. His memory will be cherished by his wife, sons, grandkids, relatives and friends. We will remember Augusto with love and affection at his funeral. We will never forget him.
