Carlboy was a hoot. He would make you laugh even if you didn't want to. He was always there for me when I needed him. He liked my husband and told me I finally got a good one 😊. Cuz you will definitely be missed. I know Katlyn was standing at Heaven's Gates when you arrived. Makes my heart smile. Till we see each other again. I love you.
Love you Pam

“ *My mum and brother loved him and they are all now reunited together again. More like a brother to me, you will forever be missed Carlboy. And as I promised in our last conversation, I will always and forever stand by my more than a sister and your darling wife, Pam. We will miss your humor, your aggravating ways, as only a brother could be. I will miss aggravating you back. Until the next life brotherXX*
