

Danny Ray Brady

December 12, 1946 - August 18, 2021

Rev. Danny Brady and Judy Brady passed away within two days of each other. This is fitting because they were inseparable. They were about to celebrate 50 years of loving marriage this October. They are survived by their daughter Angela Griner, and Judy's mother, Jane Talbott, who shares that she was always glad to have such a beautiful loving daughter, who was also her best friend and shopping partner. Additionally, they are survived by their daughter-in-law Christy Brady, son-in-law Kyle Griner, and 5 grandsons, Jared Brady, Elliot Griner, Ian Brady, Ethan Brady, and Isaiah Griner. Judy was the most loving mother, wife, daughter, and friend. Her love was unconditional. She served her community well through the churches she pastored with Danny and in her accounting work with clients, first at Talbott Tax and Accounting, and most recently, at H&R Block. She was an avid reader and active playmate for her grandboys, whom she loved to spoil with a lot of "Nana snacks". Dan served as a Sheriff Deputy in his early career, then, chaplain, and pastor for most of his life. He was an avid member of the North Florida Arms Collectors Association and served as chaplain for the National Association of Retired Cops. They leave a large hole in the hearts of their family and community. We are thankful for the love they have left with us.

“ *I'll never forget when Dan and Judy came to our church in Lakeland, Florida. His rendition of "People Need the Lord," was absolutely beautiful and anointed! When they became pastors at another Assembly of God church in the area, we followed them and attended the church! Dan was a great preacher and pastor, and Judy filled the role of "pastor's wife" as if the role was written just for her! She taught her women's ministries so much about just how ladies of Christ should behave within the church and as they went out into their every day lives. Their best friends Ken and Patty had felt called into the ministry for several years, and Dan and Judy mentored them, and under their tutorage, Ken and Patty became pastors at a nearby Assembly of God church. My husband and I enjoyed going to both churches! Dan and Judy, had a great lasting love, and now they're going to be together for all of eternity, without interruption! God bless you sweet Angela and your family!*

“ *I'm glad to have met Danny and Judy, I will miss them and the Bible lessons. We had great times at church get togethers. Judy was a member of our Sisters in Christ group and gave spiritual guidance. May the Lord bless and keep family and friends.*

GL

“ I was so glad I could share the service today for Danny and Judy. Danny and my husband, Ron Lovely, we're friends in their childhood into their young adult lives. They went to church together and sang together. I can remember when Danny introduce us to Judy. She was so sweet and proper, a beautiful lady even then. We spent a lot of time together. Such dear friends! Judy loved our oldest daughter. After they moved to Florida, we did not get to see them much, only when they visited Danny's mom. The last I heard from Danny was over a year ago when my husband passed away. They both hold a blessed place in my heart. I can't find words to truly express my love for them and the place they hold in my heart and memories!! God blessed your family . You did your parents well.
