Drucilla Beatrice Messner was 80 years old when she passed away on Wednesday, 02/09/22

in Jacksonville, Florida. She went peacefully after having spent a week at Memorial Hospital.

For most of that time, she was on Palliative Care with Promedica's Hospice Team. They were

absolutely wonderful in ensuring her comfort as she let go of this world. Her sister Rose and

daughter Yvette were also there many times making sure she knew how much she is loved.

Drucilla is survived by her children Gianna Rojas, Yvette Rego, and Ross Dauphin. She has

5 grandchildren and 3 great-grandchildren. She is also survived by her siblings Robert L.

Kurtzo, Rose R. Seitz, Forrest Wilcox, Pat Cuntapay, Carol Welchance, Ronald Wilcox, Margie

Ussery, and Wanda Macko. She is preceded in death by her siblings Richard Kurtzo, Joe

Kurtzo, Jr, and Linda Sigimon.

May Drucilla rest eternally enveloped in God's LOVE, where there is no more

sorrow, pain, or
anxiety of any kind, only peace and the knowledge that she is immensely
loved. She now walks
fully in the company of the angels that she so often saw on Earth.
A private Funeral Mass will be held at Saint Cassian Church in Upper
Montclair, NJ in March.
In lieu of flowers, please consider donating to shop.arborday.org or another

“ *Sister Dru was like a 2nd Mama to her younger sibling's, sister Rose and under. She left our family, when Rose was in the 5th grade. She loved cheese, and one night she ate the whole block of cheese, out of the fridge.! Always caring for her sisters and brother's, remaining loyal, when all was said and done, to her family, and friends. Loved mini poodles and dancing. We all did. When sister Rose drove her for rides, in later years, and she was living in a nursing home, she'd often point out the Angels she saw, all around us. Those were some interesting, fun rides. She and sister Rose remained connected, over many years, and sister Dru, will forever remain within sister Rose's heart. Loves peace sister Dru.*
