

## E. Randall Rosenberry

October 23, 1956

E Randall Rosenberry, 64 years of age, born on 10/ 23/ 1956 in Augsburg, Germany, departed this Earth on 8/25/2021.

He is survived by his loving wife, Vicki Rosenberry, his mother, Barbara, brother Stephen, niece Chelsea and his great nieces Kimberly and Kori.

Though our hearts are heavy, we have faith and a strong inner knowing that his beautiful soul is on to its next and newest journey. Randy was never one to sit still for too long. His brother Stephen says, " Randy never had a bad day, and if he did, you wouldn't have known it. He lived life to the fullest, that was his greatest gift." "He is now our angel of light," his wife, Vicki adds.

To know Randy was to laugh till you couldn't laugh any harder or longer, to head out on an exploration with zero sense of direction, and to just outright love him. Randy loved spending time with his family, friends, his dog Spyke, playing golf, being outside, at the beach, driving around, looking at cars, being a helpful hand, a loving husband, son, brother, uncle and friend. Randy played so many important roles, in the lives of so many people. He did so with love and an authentically goofy playfulness.

The family will be honoring Randy's wishes, and will not be holding a memorial service. It was his wish to be remembered as he was. He had a need for speed, adventure, and a memorable time. A truly vibrant and energetic soul, with a loving, and compassionate heart, and let's not leave out a laugh none of us will ever forget!

*Randy what is a great friend that I enjoyed many weekends with and many afternoons with playing golf and working with her many years. It is true he did have a great laugh that is always hard to forget. I couldn't tell you how many afternoons we left work at four or 5 o'clock in the afternoon and rushed to the golf course to get in as many holes as we could until we were playing in darkness. He is truly missed and will always be remembered as a great friend .*

“ *So many wonderful memories of Randy. Our many trips together, and no matter what Country, the children flocking around him. Randy had many crazy and funny escapades, of which we can, and will, laugh about. That crazy laugh of his, and the "Dr. Vic's" !! Most of all, I loved Randy for loving my sister, Vicki, and the many wonderful years they had together. I will miss you my friend, but knowing you are now with your father Ed, helps to lesson the pain of losing you way to soon in our lives. Wendy.. 🙏🙏🙏🙏🙏🙏*

*I just saw Randy's obit. I was a good friend of Randy's in high school and head was so much fun to be with. We loved to golf together and just run around. He traveled from Florida to Mechanicsburg Oa. to attend my surprise 40th bday party. So sad to hear about his passing. I still can hear that trademark laugh!*

*I knew Randy quite well. He was a great friend as I worked with him in business. For a solid two years, we would leave work and go golfing and every weekend we would golf together. It was so sad to hear of his passing and everybody is right about that laugh he had a laugh like no other. I literally must have golfed 1000 rounds with him. When I see you again, buddy, we will golf again and have just as much fun as we always had. We would play little dark where we couldn't see anything and still keep playing. Playing in the rain when it was a monsoon truly a great friend.*
