

Ernest L Chambers

September 3, 1988 - July 31, 2023

Ernest L Chambers III was born on September 3, 1988, and passed away on July 31, 2023. Ernie was born in Phoenix, AZ and moved to Hollister, CA when he was about seven years old. He grew up in Hollister riding dirt bikes and quads and four wheeling pickup trucks. He was a very active young man that loved to go fast. He learned to fly an airplane and loved it. He felt free in the sky. He tried his hand at a few professions. He learned to drive an eighteen-wheeler, learned to be a train engineer, and his last career was transporting cranes. He wanted to learn to drive the cranes next. Ernie leaves behind his six-year-old son Logan Chambers, his father Ernest L Chambers JR, his sisters Marylee Moore, Michelle Kendell, and Crystal Roascio, his two brothers in laws Russell Moore and Brandon Roascio, along with many nieces and nephews (some of those that thought of him as a big brother rather than an uncle) and many friends. Ernie was the one they called when they were trying to figure out how to keep from getting in trouble.

We will have a graveside service to lay Ernie to rest with our mother Sharon L Chambers who passed in 2013, our Nana Mary Pimentel who passed in 2020, and our Papa Mitchell Pimentel who passed in 2015. He will be laid to rest at Calvary Cemetery (199 N Hope Ave) on September 2, 2023 @ 10am. There will be a celebration of life to follow after @ Goleta Beach Area D (5986 Sandspit Rd, Goleta, CA).

“ I remember you dragging me around papa's house when we were kids. I remember Michael casing us with knives around the same house so we locked ourselves in your room, so we can jump out the window and escape. When you moved to camp verde we became even closer. I'm sorry I never made it out to you. I'll see you at the gates of heaven. I'll miss you man. I love you big brother!

“ Ernie if you only knew how many people loved you. You have left a hole in many hearts Beanie that we can never fill. You will be missed everyday. I can't believe I will never get another call saying "Whats up". This is very hard for me because you were more than just a brother to me you were like one of my boys. Even my boys say you were like there big brother. You have been the go to for my kids when they needed to find out how not to get in trouble for something. I will miss you always and love you forever. Fly high you are free now. I know one day we will reunite again. I love you forever.
