My name is Melissa Smith and my son Owen Smith is his 16 Year old child, we were not notified of the devastating death of his father, I spoke with Jimmy in June about setting up a visit with his son and unfortunately it wasn't able to happen. I regret this very much and I'm saddened for his early death and for our son that knew nothing of it, My son still doesn't know how his father even died, If someone would please call me or email me so I can at least give an explanation to our son. 904-504-3808 or melissasmith0312@gmail.com. Thank you. I've reached out to the family with no response. Jimmy was a fun loving man and called Owen his little gorilla. I'm again so sorry to the family for their loss.
