October 16, 1994 - June 1, 2021

Jovantez Xavier Bonner (JB) was born on October 16, 1994, in Jacksonville, FL at University Hospital at 6lbs 18  $\frac{1}{2}$  inches at 7:33 pm. An interesting fun fact, he shares this date with his sibling Jordan that is 7 years younger. They loved celebrating this day together.

He graduated with the swag Class of 2013 from Oakleaf High School. Where he was played the trombone alongside his awesome band mates. "JB" had beautiful penmanship which was constantly complemented and envied. "JB" was an avid reader and loved researching. He would read anything even a car manual.

Jovantez loved his vinyl and has an awesome collection, he loved skateboarding, karaoke, he enjoyed cooking and made the best cream of wheat and fried tacos, deep conversations, binge watching Netflix and YouTube videos. One of his greatest passions was to get on his bike and ride.
