“ Hey Uncle Kevin, I know we weren't as close as I would want but I know when I was in my teens I would buy a phone card and call you every Christmas. We would catch up and then my dad would get on the phone. I will always save your texts to me. When I called in July and you sent me a text saying thank you for calling and 👁️💙 U meant so much to me. I hope you basking in God's glory. Tell grandpa Z hello from me 💙
