

Marilyn Renee White

October 26, 1956 - February 7, 2024

Marilyn R. White was born October 26, 1956 in Arab, Alabama to Gladys and Henry Walker. She passed away on February 7, 2024 in Jacksonville, FL. Marilyn was born in Alabama, and moved to Satsuma, Florida 40 years ago with her late husband L.D White. They were married for 20 years until cancer took L.D away.

Marilyn was an animal lover, growing up she had a pet skunk. Later she found a flying squirrel and feed him from an eye dropper until he was able to eat solid foods. Being a homemaker she had plenty of time to spend with her dogs. She would always refer to them as her children, being that she never had any of her own. On a trip to Key West she brought a tux and wedding dress for the dogs she had at the time (Chewy and Summer) and had pictures made while in Key West. Also while in Key West she found an African Grey Parrot, and raised him from a chick, his name is Peepers. Her love for animals brought her a lot of happiness in her life. She loved the beach and traveling. Marilyn had a strong will for anything. She suffered from a stroke a few years back, and after not walking for a year she started therapy, and within a few months was walking with a walker.

Marilyn was preceded in death by her parents, sisters Glenda Wood, Nelda Freeman, and Mavelyn McIntosh; brothers Robert Walker, Ricky Walker, and Billy Walker.

Marilyn leaves to cherish her memory sister Margie Yaney; brothers Larry Walker, Coyce Walker, and Marlon Walker. Marilyn had a big heart and was loved very much.
