Today we come together as family friends, and acquaintances to celebrate the Legacy of an extraordinary man of character, Our Father, Martin Norman Taxson.

Our Dad took pride in being born the first son and grandson of both maternal and fraternal Jewish families.

The only regrets in life our dad had, was not being able to join the military. After his father Leon passed, Dad at the age of 17 years ago, became the head of the household to his mother Gertrude and brothers Howard and Jeffrey.

Dad had a remarkable (CV) Curriculum Vita employment history with....

While working in the Muslim Country of of Kuwait, his Jewish religion was a Well-Kept Secret.

In addition to our father's extensive work history, he was an avid collector of "You name it, he collected it". His most prized possessions was Vintaged maps and volumes of books from around the world. But more so, Vintage books and maps from Paris and Germany.

Dad, was not just a father to myself, but also my sisters ZahraTaxson and Emily Meadows, also a loving husband to our Stepmother Emile McCain-Taxson and her children LeJanay McCain-Acklin and her family as well as Charles and Cheryl McCain and their families.

As a husband, father, mentor and friend to so many, he'll always be missed and loved

Dad leaves to cherish his memory, a brother Jeffrey. Taxson and family. In addition to a host of cousins, nieces, nephews and friends.
