

Melissa Marie Hodges

October 2, 1992 - October 23, 2022

Melissa Marie Hodges, age 30, passed away unexpectedly October 23, 2022. Missi, as she was lovingly called by family and friends was born on October 2, 1992 in Jacksonville Florida. Missi was a huge Star Wars fan and collected everything she could related to it, pictures, figurines, plushies, you name it. She had a lively, determined spirit mixed with a nerdy sense of humor that could always bring a smile to your face. She was notorious for putting googly eyes anywhere and everywhere. Nowhere was safe from her random googly eyes. Missi absolutely adored oldies, especially music from the 40's and 50's, and even taught her son songs from those eras. Smart as a whip, she could finish a sudoku or crossword in no time at all. A few years back Missi bought herself a red scooter and she loved to take off and cruise around the Westside (beep-beep!). She cherished life, children, animals, the beach and butterflies. Missi delighted in the fluttery beauty of a butterfly and was blessed to have the experience of personally watching their life cycle and releasing them by hand.

She is survived by the light and love of her life, her son Aiden Lee Hodges. She is also survived by her parents George and Karen Hodges, her fiance and father to Aiden, Micheal Brandon Sculley, her older sister Kareena Marie Midgett(Robert G. Midgett) and their son Robert G. Midgett III, her brother Alexander Wesley Hodges (Becca Hodges) and their son Lincoln John Alexander Hodges, her brother Gene Michael Hodges and best friend Chris Parrish. She is also survived by many loving family members and friends who

will also cherish her memory.

You are dearly loved baby girl and will be deeply missed by all who had the honor of knowing you.

Fly free upon the wings of butterflies.
