“ *She was always so nice to us. She was strict but grounded. She believed in good things and she wasn't afraid to share them in any way. She treated my siblings and I as if we were her own kids. I'll always have such fond memories of her (even if one of them was pulling weeds in her yard, lol). She is and will always be missed.*

“ *Melva and I shared my home when she came back from Desert Storm. A most enjoyable time we had, I guess it has been 30 years of friendship, I shall miss you with all my heart Melva. You are one of a kind and a beautiful lady. Polly T.*
