“ *Mike always asked about my kids in Ohio and we talked about his at length! I would see him returning from his 5 mile walk as I was leaving for work at 7:00am. I don't know how he had so much stamina being 20 years older than me! My youngest son works at Ford assembly in Ohio and that really got him talking about the past! I'm sorry for the family's loss but please know that he loved you all! Mike will be missed!*

I loved the awkwardness that ensued when I would turn his handshake into a hug and you could tell he was only tolerating it for me!

Wishing you speedy healing from your grief!
