“ *When I was married to Neil's dad, Neil and I became very close, considered him a friend and son. We hosted his wedding reception at our house, on Thanksgiving he, Rachael would come over with boys for dinner, we all know he loved to eat. Each Christmas Eve we hosted open house he, Michael & Scott invited their friends cars were parked up and down the street. I will treasure the relationship we had. I know Neil is in heaven playing rock & roll with the big smile on his face. Love & miss you already.*
