“ *My father was a great man who raised me to be the man I am today. He taught me to work smarter, not harder. He always encouraged me to be the best that I can be in my career. It was an honor to care for him over the past 9 years. I love you so much Dad & I will miss you dearly. However, I will focus on the great memories we shared together. Please watch over us up in heaven. Love your son~ Kevin*
