

Peggy Mizelle Keith

November 18, 1954 - July 3, 2021

Peggy L Mizelle Keith, 66, left us suddenly on Saturday, July 3, 2021 to be with her mother and Daddy. Born (11/18/54) and raised on the westside of Jacksonville she attended JEB Stuart Middle, graduated from NB Forest High School 1972 and received her AA at FCCJ.

She enjoyed working in elementary schools, several local nonprofits and retiring from her favorite position with her adoptive family at Walmart #1225, always volunteering to be the jingling, happy Christmas Elf.

Good things come in small packages! She may of been small in size but the effect she's had on those who've known her, I'm learning, makes her the tallest person in the room. She's been a friend to many, a mentor to others, and a mother to those without. Her amazing smile, unconditional love, support and genuine compassion for others made anyone who met her wanting more. I am so proud to of been her daughter and lost and sad she's gone. She is survived by her loving husband, Steve, daughter Jennifer Delauter, sons, Jonathan Brown, Jesse Keith and Kevin Delauter, two nephews, Robert Johnson and Brentlynthree grandchildren, Brandon Suggs, Devan Keith, Taylor Keith and two great grandchildren. Memorial services will be held on

Friday, July 23, 2021 at 3:00pm at 5 Points Chapel, 702 Margaret St.
Jacksonville, Fl 32204. In lieu of flowers please donate in her name to the
Jacksonville Humane Society or First Coast No More Homeless Pets. A
private celebration of her life to follow.

“ *Peggy was an inspiration to everyone! Her laugh, her smile, her love. She could be a pistol too, dynamite comes in small packages! She will be missed, and knowing her was a privilege.*

“ Peggy trained me when I began working at Walmart. Always smiling, sooo patient and kind. One of my favorite memories was, unfortunately when my first grand baby died, going back to work was very hard. Customers coming through my line with baby items, I couldn't take it. Peggy would always notice and come over to me and give me a hug. But what I'll never forget is when a customer asked if she could pray for me and Peggy came over and joined hands with us and prayed. Right there at my register. What brings me comfort is knowing she's seen my grandson and probably gave him a hug for me. That's who she was. And I'll see them again one day. For eternity. She was one of a kind. I'll miss her very much. ❤️🙏❤️
