“ *Roland and I loved this woman so good. Her friendship was genuine and so down to earth and we will always hold our memories with her in our hearts. It won't be long and we will be back together again. To her sons and grandchildren and the rest of her family, I'm so sorry for the loss you're feeling. Sherry was always living life to the fullest and she loved so deeply. I know it hurt her to have to leave you guys but while we can't bring her back, our Lord has provided a way we can go be with her! She is happy with the Lord now filled to the brim and running over with His complete love! Her words to us may be "Come on yall! This place is wonderful!" Go rest high on that holy mountain Sherry. You definitely deserve it! I love you Girl!*
