“ *I worked with Tim for a long time selling alarm systems. He was always full of jokes and kept everyone on their toes. He could tell jokes all day and never run out.. I knew his Mother and was with Tim when she passed at the hospital. I think this was the final straw that really broke his heart. She was jolly just as he was. I have tried to locate Tim for a while now and finally found out about his passing.*

*I pray that he will truly Rest in Peace as he was a very troubled soul. God Bless Him and may he RIP!*

*I'm saddened to hear this news I've been thinking of Timmy for a while and also knew his Mother. I hope he is at peace. He was always telling jokes and could speak to anyone and create a laugh. So sad to hear this news of his passing so young.*
