

## Tina Arlene Pate

August 30, 1963 - November 15, 2024

On November 15, 2024, Tina Holley Pate gained her wings and gracefully flew to the heavens above. In waiting, is her mother, Arlene Stephens, her father, Harold Holley and brother, Harold (Billy) Holley. She is now reunited with those she's loved and will now forever remain in their loving arms.

Tina, a mother to 5, Robert Eugene Pate (Jennifer), Annie Rosemarie Stancel (Lucinda), Crystal Renee Waugaman (Patrick), Tamara Michelle Pate (Billy) and Justin Lon Pate, will continue on with her legacy, including 16 grandchildren and 3 great grandchildren. She lived a simple life under the watch and care of her daughter, Crystal. She also enjoyed the simplest things, always returning smiles and loving hugs. While her warm nature engulfed you, she was quick to put you in your place and the laughs continued as her facetious witt ventured beyond conversation and left remnants of her sly nature everywhere she went. There isn't one person that would tell you she couldn't put up a fight, however, in this instance, her fight became much more of a challenge this time and God saw to it to bring her home.

We will remember Tina not just by what she gave, but what she took with her. She took a piece of each of us with her that will forever leave a void, but the life she lived here with us will always be something to be remembered and smiled upon. There will be no funeral for Tina, as this isn't a goodbye, but it's merely, "I'll see you later where the skies meet the heavens."

There will be a remembrance memorial for Ms.Tina that will be set at a later date.
